

A regular catch up about:

AV | APARTMENTS ON VOGEL

MAY 2026

BIRD'S EYE VIEW OF LEVEL 1

Photos:

Above: Level 1 milestone

The pouring of Level 1's concrete floor marks another milestone for the project.

Right: Project team visit

Cambridge Resthaven, Livingstone and OCTA representatives enjoyed the view from Level 1 in a recent site visit. The group are standing in what will become Apartment 108, a corner apartment on Level 1. The beautiful trees in the background are in Payne Park - a lovely outlook for future residents.

Virtual Tour & Floor Plans - Coming Up!

Experience the new building in 3D!

We're excited to launch our virtual tour and floor plans this week at the Waipā Home & Leisure Show at Lake Karapiro (Friday 15th - Sunday 17th May).

The virtual tour brings the building to life and, together with the detailed floor plans, gives a sense of how the apartments, communal areas, and the building as a whole will look and feel. As the new building takes shape, we can see how naturally it fits within the village, with an easy flow to the Coffee Post Café, the central outdoor courtyard, the General Store, and other village amenities.

If you are coming to the Waipā Home & Leisure Show, pop in and see us at Stand 17 in the Sir Don Rowlands Centre - we'd love to catch up with you.
